Laboratory diagnosis of biotinidase deficiency, 2017 update: a technical standard and guideline of the American College of Medical Genetics and Genomics

Correction to: *Genetics in Medicine* 2022; <https://doi.org/10.1038/gim.2017.84>

In the article “Laboratory diagnosis of biotinidase deficiency, 2017 update: a technical standard and guideline of the American College of Medical Genetics and Genomics” by Strovel ET et al (*Genet Med* 2017;19:P1-10), there was an error in [Figure 1](#). The labels “Acetyl-CoA carboxylase E.C. 6.4.1.2” and “Pyruvate carboxylase E.C. 6.4.1.1” were placed incorrectly at the bottom of the figure artwork. See revised [Figure 1](#) shown on next page.
